

WELCOME TO THE NEW LA-MAR-KA INC. SOLUTIONS DIGITAL CATALOG

*Simply stated La-Mar-Ka is all about -
“A Lifetime of Integrity and Exemplary Service.”*

What sets us apart is that we not only manufacturer standard and custom solutions, but we also carry an extensive line of fine chemicals as well as laboratory supplies and equipment. New capabilities are now in place to support you and your organizations’ needs in and around the laboratory. Please share your thoughts and suggestions about our new site because everything we do is to support you and your organization.

OUR HISTORY

La-Mar-Ka was formed in 1972 serving some of the largest industrial corporations in Louisiana. Today, La-Mar-Ka is a national and global supplier to industrial customers around the world.

We are a **woman and veteran owned business**. We provide high quality products with documented exemplary service levels. La-Mar-Ka is a family owned business with three generations working to meet and exceed our customers’ expectations everyday.

Custom Satisfaction Ratings (96.3 out of 100)

Our most recent accumulative customer rating score is 96.3 out of 100 for exceeding our customers’ expectations. You will see this reflected in our testimonials as well.

Our customers are our partners and teachers. As you will see in the testimonials page, our clients include some of the largest corporations in the world.

We provide products and services across the energy, chemical, research, food, life science, and higher education markets. We look forward to speaking with you about the many possibilities of what we may do for you and your company.

*Simply stated, La-Mar-Ka is all about; “
A Lifetime of Integrity and Exemplary Service.”*
